Spring is here and RVCA is ready to enjoy!

What a great time of the year to focus on new beginnings and recognizing many accomplishments over the last few months. Our students enjoyed many winter activities at RVCA such as snowshoeing, sliding, winter carnival & skating at the local arena.

But all good things come to an end and we have held some spectacular spring activities - bowling, Earth Day, Friend Day and just havin' fun days that **do not** require several layers of clothing!

An evening was planned for our parents and volunteers in March during our annual Parent/Volunteer Appreciation Night. RVCA cannot express how much we value our families and volunteers – with each of **you** the huge task is made easier. Thank you for your continued support to RVCA in every way.

RVCA students in grades 2 – 8 participated in the Nackawic Music Festival. All parents, family, friends and surrounding communities were invited to attend. River Valley Christian Academy performed on Tuesday/Wednesday, April 16th & 17th, and were asked to participate in the Showcase of Talent on Thursday, April 19th. Awesome job!

Registration for 2018-2019 school year has begun! River Valley Christian Academy offers families the educational experience that will help their child succeed! We have students in classrooms and communities that are being sought for leadership roles. Please remember RVCA in prayer as our devoted staff seeks to build up each student to succeed, with God's teachings intertwined throughout each subject. To all our current parents and families, you are a vital part of RVCA and it is a privilege to work alongside you!

Thank you for your continued support to RVCA through prayer and financial support! We are grateful for how you play such a vital part in the lives of so many students. RVCA appreciates you!

RVCA is very blessed by a dedicated team-“The Fundraising Team” chaired by Melissa Lagacy & Board. They continue to be very active and play a vital role raising funds through different events! Thank you Melissa and team for organizing and making this such a successful team!

Our Closing Ceremony will be held on Wednesday, June 6th at Nackawic Baptist Church followed by a casual reception. We are very proud of our grade 8 grads and know they will succeed and become leaders. We will be honouring our grade 8 grads Charisma Farrell and Emma Graham. Way to go...you are awesome!

Fundraising events held in 2017-2018:

Chocolate Bars!!!

RVCA students participated in our spring Chocolate Bar campaign. We do love our chocolate! Everyone sold over 70+ boxes of bars. Our top seller for individual was Charlee Dunphy and our family top sellers were Charisma, Arianna & Tyson Farrell! Great job everyone!

God has and continues to surround RVCA with generous people...**YOU!** We are being refreshed by spring rain and the hope of summer sun. God’s blessing on you and your family as we head into summer!

We will continue to update our website or Facebook page over the summer, and invite you to check out “*what’s going on @ RVCA*”.

RVCA Spring Auction !!!

Wow what a success! This year the auction was held at the Lions Club and with auctioneer Troy keeping the fast-paced evening running smoothly, it was another successful evening. What an amazing job everyone did – way to go!

RVCA thanks you for wanting to be a part of our days. We appreciate you!

Blessings,

RVCA Students, Staff & Board
